

CALIFORNIA FISH AND GAME COMMISSION
NOTICE OF RECEIPT OF PETITION

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2073.3 of the Fish and Game Code, the California Fish and Game Commission, on September 1, 2006, received a petition from the Department of Fish and Game to remove Tracy's eriastrum (*Eriastrum tracyi*) from the list of rare plants.

Tracy's eriastrum is no longer considered a valid taxon; rather, it is consolidated with the more common taxon, Brandegees's eriastrum (*Eriastrum brandegeeeae*), which occurs in the northern and central Inner Coast Ranges of California.

Pursuant to Section 2074.2 of the Fish and Game Code, the Commission will consider this petition at its December 7, 2006, meeting in Santa Monica.

Interested parties may contact Mr. Kevin Hunting, Chief, Habitat Conservation Planning Branch, Department of Fish and Game, at telephone (916) 653-4875 for information on the petition or to submit information to the Department relating to the petitioned species.
